THE WINERY

The Domaine Sonoma Winery and Vineyards are located in Healdsburg, Russian River Valley, Sonoma County, California, at a site that was homesteaded in 1852 and where grapes were first planted in 1928. In 1973, new ownership transformed the former rustic winery to one that conforms to the highest standards of modern CA winemaking. Our vineyards are meticulously cared for and provide our wine maker Steve Fredson (fifth generation of a winemaking family) with exceptional fruit that highlight the special qualities that Russian River Valley has to offer.
